DEDICATION

This book is for every Christian who yearns for Godly wisdom, knowledge and understanding.

I pray that Praying Proverbs will become a solid foundation on which you will build a deeper and more intimate relationship with Jesus.

I pray that Praying Proverbs will empower you to live a life that is directed with a Godly perspective according to scriptural principles.

INTRODUCTION

As I sat down in God's presence one morning in mid-November 2017, during my devotion, I heard God speak to my heart about this book.

His idea was simple - turn the book of Proverbs into a prayer devotional; a free gift to His children that can be used at any time to get wisdom and gain knowledge and understanding through prayer.

My mind instantly went wow! What a privilege! What a wonderful idea!

However, the practicality of writing this book was much more difficult than I anticipated and there were times when I wanted to give up. Many times, I wondered if I had truly heard from God.

This has been one of the hardest, yet most rewarding books I have ever written and I am thankful to God for the privilege I have been given to do it. I won't bore you with all the trials I faced as they were a necessary part of my growth, but what I will say is that God's grace has been truly sufficient.

The vision of this book is simple; to combine two of the most powerful weapons a Christian has: PRAYER and THE WORD!

Declaring God's truth over your life daily and claiming His promises. It will change your life.

The book of Proverbs is a book that has everything you need to teach you how to live a successful, purpose-driven life. When you combine that with prayer, you end up with a recipe for success. You are calling on God to teach you by His grace and to empower you to live out His instructions.

The idea of this book is very basic. It has simple prayer points that can be used as they appear or can be expanded. It can also be used alongside your personal prayers. Please know that its simplicity does not negate its effectiveness. This book is a powerful tool that will change your life so don't underestimate the power of God's word and your prayers to Him.

There are 31 prayers in this devotional that have been created out of the 31 chapters of the book of Proverbs. Therefore, it is designed to be used over 31 days. I encourage you to pray these prayers out loud, declare them with confidence over your life and watch God do amazing things.

I also ask that you personalise it, therefore, where it says man, insert woman if that applies to you and where it says husband, you may insert wife or place your name as required... and so on. Furthermore, the language used can often be symbolic, so don't worry if the words appear

strange. I have tried to stay as close to the scripture as possible.

For most of this book, I have used the NIV version because of its simplicity, however, there have been times when the words have challenged me, and I have had to use the NLT or NKJV to get a different view so that I can better convey its meaning and transcribe that into a simple prayer.

This free devotional is a gift to you. You can download it as a PDF or get it as an e-book. It is short, sweet and impactful. Why not use a special notebook and journal throughout the whole process? It would be wonderful to keep a record of what God has done through you and make notes of what God says to you as you use - *Praying Proverbs*.

Please take the time to expand each prayer point with your own prayers and make it more personal to you. Make it a conversation between you and your heavenly Father. Ask Him in detail to do something significant for you. He wants to and He will.

The scriptures are filled with promises that God will hear your prayers - here are a few to encourage you:

- Isaiah 65:24 “Before they call I will answer; while they are still speaking, I will hear.” (NIV)

- Psalm 91:15 “He will call on me, and I will answer him; I will be with him in trouble, I will deliver him and honour him.” (NIV)
- Mark 11:24 “Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours.” (NIV)
- 1 John 5:14 “This is the confidence we have in approaching God: that if we ask anything according to his will, he hears us.” (NIV)

I pray that God will bless you as you use this devotional and that there will be many testimonies in your life In Jesus' name. Amen.

What is a Proverb?

**“a short, well-known pithy
saying, stating a general
truth or piece of advice”**

English Oxford Living Dictionaries

AN INTRODUCTION TO THE BOOK OF PROVERBS

The first 29 chapters were written by King Solomon, with the final two chapters written by Agur and King Lemuel. The book is said to have been written between 720BC-950BC.

The book of Proverbs is unique and sets itself apart from the other books in the Bible. Whilst other books are focused on profound theologies, lengthy narratives that include triumphs and failures and prophetic teachings and parables, this book solely concerns itself with instructing people on how to walk the path of wisdom and live a Godly life.

It is simply a compilation of numerous short instructions that will serve as a guide for living a victorious life. This book has some instructions repeated - sometimes even in the same chapter; this shows us the importance and significance of the instructions given.

There is no doubt that this book will change your life.

THE PURPOSE OF THE BOOK OF PROVERBS

The purpose of this book is quite simple - to teach us the principles we need to live everyday life with success. However, a more accurate description is captured in Proverbs 1:1-4 which states -

- “1 These are the proverbs of Solomon, David’s son, king of Israel.
2 Their purpose is to teach people wisdom and discipline, to help them understand the insights of the wise.
3 Their purpose is to teach people to live disciplined and successful lives,
to help them do what is right, just, and fair.
4 These proverbs will give insight to the simple, knowledge and discernment to the young”

-  I pray that I will be blessed by this wonderful book of Proverbs to teach me wisdom, give me instruction and the understanding that I need to live a blessed and fulfilled life.
-  I pray that I will be filled with words of insight.
-  I pray that my heart will receive Your instructions in a prudent manner so that I can discover how to do what is right, just and fair.
-  I pray that this book of proverbs which gives prudence to the simple, knowledge and direction to the young will be deeply embedded in my heart and it will influence all my ways.
-  I pray that I will be wise, will listen to You and seek to add to my learning.
-  I pray that You will teach me how to discern Your words and that I will understand all proverbs and parables.
-  I pray that I will have a heart that fears you and the fear of the Lord be the root of my spiritual foundation so that I would

begin to gain knowledge and embrace your wisdom and instructions.

-  I pray that I would be a child that gladly listens to instructions from those who have gone before me and I will not forsake the Godly teachings of my youth.
-  I pray that these teachings would be like grace to my head and a precious chain adorned around my neck.
-  I pray that You will protect me from the devices of sinful people who may come to entice me, and that You will give me the courage not to partake in their destructive ways.
-  I pray that when an invitation comes to join those whose feet rush to do evil, those who are so quick to shed innocent blood and who seek to cut corners in life, I will be wise enough to reject the invitation and I will turn away from the wickedness in this world.
-  I pray that when Wisdom calls out to me - when Wisdom calls my name out loud in the open, raising her voice in the public square, I would be quick to hear and answer. Father, please let Your wisdom guide me.
-  I pray that I will not be found among the simple. Lord, I declare in Your name that I will not delight in mockery but instead, that I will love knowledge. I will seek knowledge and by Your divine grace, I will find it and apply it with wisdom.
-  I pray that as I stand here, humble before You in repentance at Your rebuke, that You will listen to my cry and pour out Your thoughts towards me.

-  I pray that you will make known Your teachings to me and I will listen.
-  I pray that I will pay attention to Your outstretched hand and raise my own hands up to heaven to meet Yours in absolute surrender.
-  I pray that You will give me a heart that welcomes all Your advice and accepts Your correction. I know it is because You love me, and correct me.
-  I pray for Your protection from calamity.
-  I pray that distress and trouble will never overtake or overwhelm me.
-  I pray that I will have the confidence and assurance that when I call on You and as I seek You, You hear me and answer me.
-  Father, I come before You seeking Your knowledge. I declare of my own free will that:
 - I choose to fear You, Lord, and put You first in everything I do,
 - I choose to accept Your advice,
 - I choose to accept Your discipline and correction,
 - I choose to listen to You.
-  I pray that I will be covered by You, Lord, even as I declare these things of my own free will so that I will live in safety and be at ease without fear of harm and danger.

In Jesus' name. Amen.

when I sleep they will watch over me and when I am awake they will speak to me.

-  I pray that Your command will be my lamp and Your teaching will be my light.
-  I pray that I will listen to Your correction and instruction as they are the way to life, teaching me to keep away from my neighbour's wife and from the smooth talk of a wayward woman and that I will not lust in my heart after her beauty or be captivated by her eyes.
